It is now up to each one of us to do our part as we brave the storm on the path to national recovery

Few among us will doubt the fact that we are living in some unprecedented times as **Prime Minister Dean Barrow** continues to navigate through uncharted paths in handling the affairs of the nation.

A couple of these historic moves include government's take over of the privately owned telephone company and the criminal prosecution of a serving Mayor of his party on charges of wrongdoings in the handling to taxpayers' funds.

Just this week, in his quarterly press conference, Prime Minister Barrow stood before the nation, and the cameras, as he proceeded to lay the cards on the table advising that the nation is in recession.

This is indeed an unprecedented move especially since we have emerged from an era where, despite the fact that the nation was experiencing much worse economic times, such as being on stand-by arrangements with the International Monetary Fund (IMF), where the national reserves stood at a measly two weeks of imports as previous national leaders would routinely *"cook the books"* and manipulate every conceivable national statistic thereby painting a rosy picture in the midst of devastating economic times as many of us openly wondered if we were living in the same country.

How can we forget June 1993, when the national economy was on the brink of collapse as former Prime Minister, **George Price** stood before the nation and told us that the *"Job Done"* and he proceeded to call general elections 16 months before it was constitutionally due. We all came to realize that what Mr. Price actually meant was that the *"Money Done"* and that his government could no longer continue to administer the nation.

Who can we forget those days just gone when former Prime Minister, **Said Musa** tried to mislead us into believing that we were *"living in a good country"* when the national debt was climbing by Billions of dollars (*and that's Billion with a capital "B"*) while there was nothing to show for the mounting and unsustainable national debt resulting in the infamous Super Bond(age) the interest payment on which, next year alone, will increase by a whopping 20 million dollars.

How can we forget the words of former Minister, **Mark Espot** who spoke about those bullet payments to service the national debt. *"One of those bullets"*, he said *"will soon strike through the heart of the national economy."* That bullet has struck!! The heart of the national economy is bleeding. Ironically, those responsible for injuring the national economy are now sitting on the sidelines while the Herculean task of economic restoration now rests on the shoulders of others.

How can we forget those days when former Finance Minister, **Ralph Fonseca**, publicly announced to the nation that the more mistakes his government made, *"the harder the Belizean people will work to get us out of trouble."*

We have been taught that the best way to overcome a problem is first and foremost to recognize and admit that the problem exist and thereafter take actions to overcome that problem. We likewise have been taught that the greatest obstacle to progress is being in a state of perpetual denial.

The former administration was living in continuous denial as, while the masses were suffering from prevailing extreme economic hardships, the government continued to trumpet the

rhetic about *"living in a good country"*. This denial resulted in that party's worst defeat ever at the polls. It caused a massive fragmentation of that party, the likes of which, almost 2 years later, the chances of re-unification appears to be nowhere in sight.

Prime Minister Barrow has placed the cards on the table, he had given an honest report on the state of the national economy. He has directed the way forward to economic recovery sans the IMF.

Armed with this truth, it is now up to each one of us to do our part as we brave the storm on the path to national recovery.

Letters To The Editor

Beware Of A Con Artist In The Community

Dear Editor;

My name is **Jorge Castellanos**. I am a mechanic employed by the Ministry of Works in Santa Elena, Cayo.

Please allow me, through the medium you provide, to inform **STAR readers** of a situation that is of concern to my family and I.

It has come to our attention that a male person of Hispanic descent is going around the community borrowing money while professing to be a member of our family, and in some cases he has even gone to the extent of using my name or the names of my brothers, **Mario** and **Renan Castellanos**.

I have been approached by

at least eight persons requesting repayment of monies borrowed from them by this individual.

The method he uses tends to suggest that he might be dependent on some kind of substance as the amount he normally borrows is \$10 which he says is needed to purchase fuel for the vehicle he uses in his fish/shrimp business.

I have reported this matter to the police and have further decided to place it in the STAR Newspaper so that unsuspecting victims might become aware of the presence of this individual in the community and the harm he is doing to our family. Please therefore beware of this person.

If further information is

needed or if this person approaches you, please contact the nearest police station or contact me, during normal working hours, at the Ministry

of Works, Santa Elena, Cayo at telephone # 824 2077.

Thank You

Jorge Castellanos,

Santa Elena Town, Cayo.

A Community Clamouring For Basic Needs

New Area, Santa Elena, Behind the Novelos Convention Center

SANTA ELENA TOWN, Cayo, October 23, 2009:

The residents in this area raise our voices in asking and begging our Government and Area Representatives to please hear our petition for attention to be given to the roadway in our community.

Realizing that our country Belize is a free, sovereign, independent and organized nation guaranteeing its habitants the enjoyment of life, liberty, security, social justice and constitutional rights, we think that we deserve better attention.

As citizens we contribute to the national economy by paying our taxes, licenses and property taxes. We are of the opinion that the taxes we pay should be utilized to enhance the living condition of all of us living in this nation.

We therefore ask those in authority to please assist us with fixing the streets which have not been maintained for many years. We also ask the electricity company to please keep us in mind for future electricity expansion as we are currently without electricity supply. We are not a remote community as a matter of fact we are an integral part of, and annexed, to Santa Elena Town.

There are seventy families living in this area and we are seeking any assistance that can be afforded to us.

Sincerely, The residents of New Area, Santa Elena behind the Novelos Convention Center

A Dangerous Shotgun And Bullets Taken Off The Streets, Two Boys Remanded For Keeping Them

**One Of The Accused,
George Abraham, 18**

SAN IGNACIO TOWN, Cayo District, Monday, October 26, 2009:

San Ignacio police today reported the successful removal of a second dangerous shotgun from the street of the community resulting in the remanding of two boys found separately in possession of the gun and three cartridges for the same.

Acting upon information received, a police team, at around 10:45 am on Friday, October 23, established a quick presence at the unmanned Red Creek Police Check Point as they awaited the arrival of a National Transport commuter bus.

It was shortly after 11 o'clock that morning when the commuter bus rolled into the check point. A team of police officers boarded the bus and began searching for the gun tooting male person who, according to the information received, was described as being of East Indian descent and wearing a yellow warm cap over braided hair.

The yellow warm cap, which should have been easy to detect, was absent as the initial cursory scanning of the passengers was conducted this resulted in a more detailed search.

Whilst in the process of the detailed search an East Indian descent male person with braided hair was found seated against the window on the driver's side of the bus. A search of this individual led to the discovery a pump action 12 gauge shotgun which he was carrying under the blue jeans pants he wore. The gun was held

in place by a pair of shoe lace tied to his right leg.

An alert policeman noted the suspicious behavior of the young male passenger seated next to the gun tooting individual. A search was conducted on the second person resulting in the discovery of three 12 gauge cartridges inside the low right side-pocket of the ¾ pants he was wearing.

Both persons were detained and transported to the Police Station in San Ignacio where they were identified as **George Abraham, 18**, who told the police that he is a Belizean Cyclist residing at #59 Faber's Road, Belize City. The other person was identified as a 17 year old minor residing in Santa Elena Town.

They were both arrested and

STAR HUMOR

More Than A Missing Tail Light

"How long have you been driving this vehicle without a tail light?" asked the policeman after pulling over a motorist.

The driver jumped out, ran to the back of his truck and gave a long, painful groan. He fell on his knees to the ground and buried face in his hands.

He seemed so upset that the cop was moved to ease up on him a bit.

"Come on, now," said the policeman, "you don't have to take it so hard. it's just a tail light and it's not that serious."

"It isn't?" cried the motorist. "Then you know what happened to my boat and the trailer that I was towing?"

Be Careful Of What You Wish For

A married couple in their early 60s were out celebrating their 40th wedding anniversary in a quiet, romantic popular restaurant on Burns Avenue, San Ignacio.

Suddenly, a tiny yet beautiful fairy appeared on their table and said, "For being such an exemplary married couple and for being faithful to each other for all this time, I will grant you each a wish."

"Ooh, I want to travel around the world with my darling husband." said the wife.

The fairy moved her magic

stick and - *abracadabra!* - two open American Airlines Unlimited tickets appeared in her hands.

Now it was the husband's turn. He thought for a moment and said: "Well this is all very romantic, but an opportunity like this only occurs once in a lifetime, so, I'm sorry my love,

license.

Investigations revealed that the boys left Santa Elena by bus earlier that morning and traveled to Roaring Creek Village where they had made prior arrangements to purchase the gun and cartridges for \$1,500.

The agreed purchase price was paid and they took possession of the merchandise and were heading back to Santa Elena Town when they were intercepted at the Red Creek Check Point.

Further investigation revealed that in order to raise the funds, the Santa Elena minor

but my wish is to have a wife 30 years younger than me."

The wife, and the fairy, were deeply disappointed, but a wish is a wish... So the fairy made a circle with her magic wand and -*abracadabra!* - the husband became 92 years old.

The moral of this story: "Fairies are female."

reportedly sold his racing bicycle for \$500 and the remaining \$1,000 was acquired through a loan.

Based on additional information received, investigators strongly suspect that the shotgun was intended for criminal purposes and that the initial proceeds there from were to be used to repay the loan.

Both accused appeared before Magistrate Rachel Montejo, on Monday, October 26, and were remanded to the central prison in Hattieville.

They are scheduled to reappear in court on Thursday, December 3, 2009.

Chan Chen Gets New School Building

BELMOPAN CITY, Tuesday, October 27, 2009:

The new Chan Chen Government Primary School building in the Corozal District will be officially inaugurated during the afternoon hours on Thursday October.

Construction of the new school will alleviate the current overcrowded situation and will benefit over 190 students and eight teachers.

The project was implemented by the Social Investment Fund, a statutory body under the auspices of the Ministry of Economic Development.

The new school building was financed by the Caribbean Development Bank (CDB) under the Basic Needs Trust Fund at a total cost of \$359,622.63. Of this amount, \$287,698.14 was a grant from the CDB and the Government of Belize contributed \$64,889.54

The project entailed the construction of a two story Ferro-concrete building consisting of 3,000 square feet in area.

The building comprises two classrooms each measuring 24 feet by 25 feet as well as male and female bathrooms on the ground floor each measuring 12 feet by 25 feet.

The upper floor will also have two standard classrooms of 24 feet wide by 25 feet long, a computer lab, a principal's office and bathroom facilities for teachers.

Chan Chen Village was founded almost 130 years ago, in 1880. It has a population of approximately 867 inhabitants, comprising mainly of Mestizo and East Indian descent.

Sugar cane cultivation is the main stay in the community while the younger population have ventured into the Corozal

Free Zone for employment opportunities.

Diversification of sugar cane to other crops has started as some farmers are now cultivating corn, ground food and vegetables for home use, and the surplus is sold at the local market in town.

Chan Chen, is translated as "small holes" which were used as hiding places during the Castes war.

Guest speakers for the official inauguration will include the **Hon. Patrick Faber**, Minister

of Education, **Hon. Nemencio Acosta**, Area Representative for Corozal North, representatives of the Social Investment Fund as well as members of the Chan Chen Village Council among others.

Honduras Takes Brazil To UN Court

Adapted from the BBC News, Thursday, October 29, 2009:

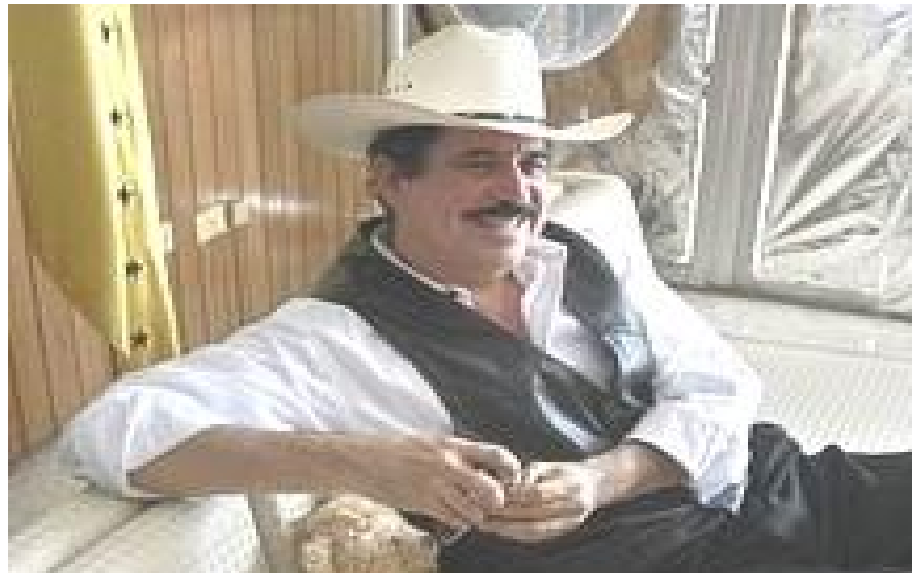

Honduras has taken Brazil to court for allowing ousted President Manuel Zelaya to remain in its embassy in the Honduran capital, Tegucigalpa.

Zelaya has been inside the embassy since he secretly returned from a three-month exile on 21 September.

At the International Court of Justice in the Hague, Honduras accused Zelaya of *"threatening the peace and internal public order of Honduras"*.

It wants the court to order Brazil to stop providing refuge for him.

Zelaya was sent into exile on

Ousted Honduran President Manuel Zelaya relaxing inside the Brazilian Embassy in Honduras

28 June after trying to hold a non-binding vote on whether a constituent assembly should be set up to look at rewriting the constitution.

His opponents said his actions were in violation of the constitution and aimed at removing the current one-term

limit on presidents - a charge Zelaya has denied.

Proceedings at the UN court usually take years to settle, but *"provisional measures"* can be handed down much faster if requested, as Honduras is considering doing, according to Reuters news agency.

In its filing, Honduras requested the court to declare that Brazil does not have the right to allow its Tegucigalpa embassy to be used to promote *"manifestly illegal activities"* by Honduran citizens.

Honduras is currently governed by interim leader Roberto Micheletti. Honduran elections are due on 27 November, with Zelaya's term of office due to end at the end of January.

A Pioneer In Education Honored St. Michael's College Renamed Maud Williams High School

**BELIZE CITY, Wednesday,
October 28, 2009:**

Official ceremonies were held today on the grounds of the former St. Michael's College for its renaming as the Maud Williams High School.

In addition to the Guest of Honor, **Mrs. Maud Williams**, other dignitaries in attendance included Deputy Prime Minister, **Hon. Gaspar Vega** and Minister of Education, **Hon. Patrick Faber**.

In his address Minister Faber highlighted Mrs. Williams' many accomplishments in the field of education in Belize. He also reminded those in attendance that we should not wait until outstanding citizens are departed to honour and pay tribute to them and *"one such exemplary Belizean is Mrs. Maud Williams."* said Minister Faber.

For her part, Mrs. Williams was gracious in accepting the high honour, simultaneously using the opportunity to thank the people and government for the special honor while encouraging Belizean educators to excel in the noble teaching

profession.

A bio of Mrs. Williams forming part of the printed program of events was distributed to attendees. It reads as follows:

Born Maud Goldson, Mrs. Maud Williams exemplifies those persons in Belizean society who have looked around during her lifetime and observed the best method of making a social response to the needs of others. In her case this response was in the field of education.

From the days of her personal education which started at St. Mary's School, on to St. Hilda's College and culminating at the Belize Teacher's Training College from 1971 to 1973, during which she attained a Trained Teacher's Diploma and an Associate of the College of Preceptors (London), Maud Williams' long and illustrious career has spanned many decades.

This celebrated career has involved teaching students for forty years and administering teachers for a further fifteen years; and a chronological look at this career reveals her specific involvement in the Anglican

Mrs. Maud Goldson Williams

education system as a teacher. Beginning in 1946 Maud Williams taught at St. Mary's and St. John's Primary Schools in Belize City, with a break from 1953 to 1954 when she served as Principal of Placencia's St. John's Memorial School. During the next year she was placed as a teacher at St. John's Primary School in Belize City, then from 1955 to 1956 as Principal of St. Augustine's School in Gales Point. Returning to Belize City in 1956 she taught at St. Mary's Primary School until 1964 when she was transferred to St. Peter's Primary School in Orange Walk as Principal. From 1967, until she entered the Belize Teacher's Training College in 1971, she was the Principal of St.

Andrew's Primary School.

After training, Maud Williams served as a teacher at St. John's Primary School from 1973 to 1978, culminating with her final stints at the Queen's Square Anglican School as Vice Principal from 1975 to 1978 and as Principal between 1978 and 1985.

Retirement from the classroom did not end Maud Williams' contribution to education, as in 1986 she was appointed as Coordinator of Anglican Schools under the employment of the Anglican Diocesan Board. In recognition of her astute management skills and training acquired over the years, she was for the next twelve years, between 1988 and 2000, appointed as General Manager of Anglican Schools. Even after retirement Maud Williams felt the need to continue her selfless contribution to the education system; she assisted the Ministry of Education through its Inspectorate Arm doing inspection of

Somali Man, 112, Weds Girl 17

Hundreds of people have attended a wedding in central Somalia between a man who says he is 112 years old, and his teenage wife.

Ahmed Muhamed Dore - who already has 18 children by five wives - said he would like to

have more with his new wife, Safia Abdulleh, who is 17 years old.

"Today God helped me realise my dream," Mr Dore said, after the wedding in the region of Galguduud.

The bride's family said she

was *"happy with her new husband"*.

Mr Dore said he and his bride - who is young enough to be his great-great-grand-daughter - were from the same village in Somalia and that he had waited for her to grow up to propose.

"I didn't force her, but used my experience to convince her of my love; and then we agreed to marry," the groom said.

The BBC's Mohammed Olad Hassan in Mogadishu says the marriage in the town of Guriceel is being described by Somali historians as the first of its kind in the Horn of Africa nation for more than a century.

Dore told the BBC he was born in Dhusamareeb in central Somalia in 1897 - and has a traditional birth certificate, written on goat skin by his father.

Our correspondent says he has an interesting history - in 1941 he joined the British colonial forces as a soldier for 10 years and then served as a police officer after Somalia won independence in 1960.

Mr Dore's oldest son is 80 years old and three of his wives have died.

He says he hopes his new bride will give him more children.

"It is a blessing to have someone you love to take care of you," he said.

schools. She along with other Ministry officials travelled around the country doing inspection of schools, making sure that the children of Belize were receiving a quality education. Her ongoing commitment to education is evident as she continues to contribute to the system in her capacity as Local Manager for Queen's Square Anglican Primary School. Maud Williams believes that we must all play a part in educating the children of this country.

Within what seemed to have been a full and time consuming life as a teacher and school administrator, Maud Williams found time to devote herself to her husband Rudolph and to raise seven children of her own, and three adopted. Today she lovingly surrounds herself and appreciates the company of her grand and great-grand children.

As a community-minded person she served on the Board of Governors of the Belize Teacher's Training College, on the Diocesan Education Board, the Board of Governors of the Anglican Cathedral College, and as Treasurer of the Belize

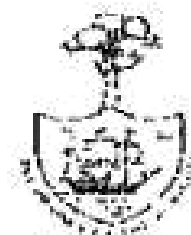

Branch of the Belize National Teacher's Union. She is a pioneer in the formation of Carnival in Belize, being a founding member of the Belize Women for Cultural Preservation which evolved into the CJAMM Mass Band, one of the most successful Carnival bands in Belize.

For her many contributions and in recognition of her active presence that is so strongly felt, Maud Williams was appointed a Justice of the Peace in 1985, and awarded the decoration as a Member of the British Empire in 1997.

Nationally Maud Williams has done and today continues to do her part to enlighten the minds of Belizeans; and has even gone on to alleviate people's hurts and identify with them in their distress. Deeply spiritual, she is ever present at the All Saints' Parish Church being ever aware that the whole purpose of religion is to facilitate love and compassion, patience, tolerance, humility and forgiveness. It is these ethical virtues that helped to drive Maud Williams through her entire life and career to always excel.

HOME INVASION - EXECUTION STYLE MURDER - A BROTHER AND SISTER JOINTLY CHARGED

Continued From Front Page
the horrific crime.

With this suspected motive in mind investigators proceeded to detain David Uk, the estranged husband of **Anna Elizabeth Uk**, common-law-wife of the deceased.

The accused, David Uk, is reported to have made several threatening telephone calls to the family from the time the deceased moved in to live with the wife about two months ago. The last such call was reportedly received on Saturday, October 24, just one day before the crime was committed.

The reportedly abusive relationship between the accused, David Uk and Anna Elizabeth ended about three months ago when Anna Elizabeth moved out and relocated to the Hillview community along with her three sons. One month later, the deceased moved in to take up residence with Anna Uk and her three sons.

Reports indicate that at about 7:45 pm on Sunday, October 25, the family of five was gathered in the dinning area of the house with the deceased sitting at the table after having supper. He was playing a game of checkers with one of his step sons when a handgun carrying assailant, described as being of slim built, about 5 feet in height, brown complexion, with a shirt tied around his head partially concealing his face, stormed into the bungalow house through the front door.

The gunman reportedly moved directly up to the deceased, and with both hands on the gun he carried, pointed it at the victim, Mario Chi and, from almost point blank range, he fired a single shot striking Chi in the right side of the chest below the shoulder.

Chi reportedly fell to the tiled floor bleeding from the injury while the mother and her sons scrambled for cover into nearby rooms.

The gunman then rushed out of the house and disappeared into the darkness of the night.

When the traumatized mother and her sons emerged from hiding, they encountered Chi on the tiled floor bleeding

profusely from a single gunshot injury to the chest. He was rushed the emergency section of the San Ignacio Poly Clinic, where he passed away whilst in the process of being prepped for transportation to the Western Regional Hospital in Belmopan.

While investigators are not totally ruling out allegations of the involvement of at least two other persons in the crime, the fact that they have proceeded with a joint murder charge against David Uk and his sister Seidi Salazar tends to suggest some level of suspicion as it relates to the inconsistency sprinkled version of the sequence of events which is

reportedly to be incriminating a Guatemalan father and son, with the son being fingered as the trigger man.

The version of the sequence of events indicate that the accused Seidi Salazar borrowed a white Toyota Corolla car belonging to her common law husband and, that along with her brother, proceeded to an area in front of the town hall in Benque Viejo Town where they picked up the Guatemalan gunman and his father.

All four reportedly traveled from Benque Viejo Town to the Hillview community home of the deceased where the gunman was let out of the car, did the

shooting, ran back to the waiting car which was parked a short distance down the street, boarded the vehicle for the return trip to Benque Viejo Town.

Upon arrival in Benque Viejo Town, the father and son were allegedly let off near the river, paid the agreed \$300 hit-man fee after which they allegedly crossed the river into neighboring Melchor De Mencos, Peten, Guatemala.

The legally required post mortem examination conducted on Monday, October 26, by Forensic Specialist, **Dr. Mario Estradabran**, on the body of the deceased, Mario Chi, revealed the cause of death as extensive bleeding as a consequence of gun shot wound to the chest.

Continued From Front Page

All three occupants of the residence, present at the time of

the discovery, were detained and transported to the San Ignacio Police Station where they were formally arrested and jointly charged for the crimes of keeping a prohibited firearm and possession of ammunition without a gun license.
