SAN IGNACIO TOWN, Cayo, Tuesday, April 6, 2010:

While San Ignacio Police have arrested and charged seven persons for various crimes in connection with the Scotiabank robbery, arrest warrants have been issued for another three male persons still at large, two of whom are suspected to be the masterminds behind the crime.

Just as the business day was starting on Tuesday, March 30, reports of a major bank robbery

Frank Luis Edwards, 21
began circulating like wild fire around San Ignacio and Santa

SAN IGNACIO TOWN, Cayo, Tuesday, April 6, 2010:

Funeral services were held today for **Hector "Cacharing" Gonzalez**, who passed away quietly at exactly 8:30 Holy Saturday morning, April 3, at the Western Regional Hospital in Belmopan, exactly one week after he was admitted on Saturday, March 27, 2010.

Cacharing or the **Ayatollah**, as he was popularly known, sold the **STAR** and other newspapers around San Ignacio Town.

Initial reports indicate that at around 8:30 that morning, a group of five armed masked men drove a white Suzuki Sidekick into the Scotiabank parking lot in Spanish Lookout and within a few minutes they drove off but not before leaving the dead body of one of the bank's security guard on the roadside near the bank as well as an injured customer with a bullet graze in the region of the left ear, a motorcyclist with a broken leg, a customer allegedly relieved of \$10,000 intended to be deposited and the bank with over three hundred thousand dollars stolen.

commit robbery and b) Failed to prevent a felony.

4) **Austin Mungquia**, 21, Belizean laborer residing at the corner of Church Street and Bullet Tree Road in San Ignacio Town charged with a) Handling stolen goods.

5) **Luis Albert Hernandez**, 29, Belizean laborer of a Stanton Street address in San Ignacio Town: a) Handling stolen goods.

6) **Erwin Fernandez**, 19, Belizean unemployed of #32 Buena Vista Street, San Ignacio Town: a) Handling stolen goods and

7) **Isolina Perez**, 41, Belizean domestic of a Garcia Street address in Santa Elena Town: a) Handling stolen goods.

Police are also proceeding with robbery and conspiracy to commit robbery charges against **Benjamin "Benji" Peters**, **Alexander "Alex" Edwards** and **Gabriel Salazar** all of whom remain at large. As the investigation continues, reports indicate that a joint murder charge could also be levied against these three suspects who have thus far been able to remain outside the reach of the long arm of the law.

Our investigation revealed that the robbery was in planning for several weeks with **Benjamin "Benji" Peters** and **Gabriel Salazar** as the suspected masterminds behind the plan.

The information reaching us indicate that Frank Edwards reportedly arrived at his uncle's farm in the Valley of Peace community where he met his brother, Alex Edwards in the company of Benji Peters and Gabriel Salazar who were

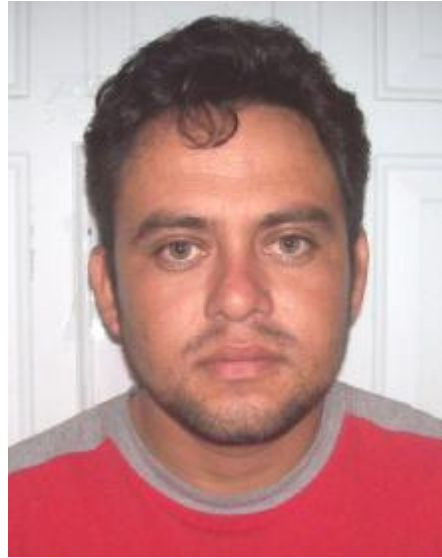

Austin Mungquia, 21

reportedly planning to rob the bank.

Gabriel's older brother, Juan Salazar was reportedly dispatched with cash to Santa Elena and with instructions to seek Benji's younger brother, **Michael "Big Mike" Rodriguez** to rent a vehicle. Big Mike, along with Salazar visited Matus Auto Rental in San Ignacio where they requested and were provided with a white Suzuki Sidekick with tinted glass. Big Mike reportedly informed that he needed the vehicle to transport a client who was interested in purchasing land.

With Juan driving the vehicle and Big Mike in the passenger seat, they proceeded to an open pasture near the Valley of Peace Community where Big Mike was let out of the vehicle and reportedly told to visit the police station in Belmopan to report that he was robbed of the vehicle and other personal property. All five men, being the Salazar brothers, the Edwards brothers and Benji Peters, boarded the vehicle, driven by Alex Edwards, for the ride to the bank.

In complying with his portion of the plan, Big Mike visited the police station in Belmopan where he reported that he was robbed of the vehicle and other personal properties including a laptop computer, a digital camera and other personal documents. However, his demeanor was somehow not fitting the profile of a person who was just robbed of a vehicle and other valuable properties. While Big Mike was going through the process, the reported bank robbery began to blast through the police radio communication system and the tide began to shift on him from a victim to a suspect and after

Luis Albert Hernandez, 29

intensive questioning, the first break in the investigation began to unfold.

In the meantime the Suzuki and all five occupants arrived at Scotiabank in Spanish Lookout where Benji Peters and Gabriel Salazar, both masked and armed, were the first to jump out of the vehicle. A single shot was reportedly fired, the very shot suspected to be the one which fatally injured one of the two unarmed bank security guards from KBH Security Company. Two other occupants, Frank Edwards and Juan Salazar, jumped out of the vehicle leaving Alex Edwards still in the driver's seat. All four masked persons entered the bank and

Erwin Fernandez, 19

Isolina Perez, 41

proceed to hold up the Bank Manager, **Michael Mena**; the teller and the second unarmed KBH Security Guard.

The manager complied with the robbers' order to open the vault. Benji Peters and Frank Edwards entered the vault and

The Roberson/Utsman Union A Grand Occasion Indeed

The Wedding Ceremony uniting **Kristin Leigh Roberson**, daughter of **John** and **Mariam Roberson** of San Ignacio, and **Ryan Edward Utsman**, son of **Bob** and **Maureen Utsman** of San Pedro, was held at the Sacred Heart Catholic Church in San Ignacio on Saturday, March 27, 2010. Kristin and Ryan exchanged marriage vows and received the Sacrament of Marriage, officiated by **Rev. Oliver Joseph Smalls, Jr.** The ceremony was one where the love between Kristin and Ryan was so visible and shared with so many, that it was called *“the happiest wedding”* by all those who attended.

Kristin’s sister, **Carrie Roberson**, and her first cousin, **Kelly Kuylen**, were her maids

of honour and standing in witness for Ryan, were his two best men and friends, **Noah Gins**

and **Patrick Watt.**

A total of one hundred thirty seven of the wedding guests at this truly Destination Wedding were Kristin and Ryan’s family and friends who travelled from the US, Jamaica and the UK for the celebration.

Kristin and Ryan shared their love and passion for their country by organizing a week of pre-wedding

activities all over Belize and accompanied their guests to destinations which included San

4 years ago, Kristin was the Food and Beverage Manager and Wedding Planner. Kristin is the first grandchild of the late **Mr. Escandar Bedran Sr.** who built the San Ignacio Hotel, and as tradition would have it Kristin’s dream was to be married at the same church where her parents were married and also to have the wedding reception in the same Bedran Hall where her parents dined and danced, at their wedding in 1978. A cocktail reception to welcome the newlyweds was hosted poolside in an exquisite tropical setting. Dinner and dancing followed in the newly renovated **BEDRAN HALL** and Ballroom, which was truly spectacular. *“Totally over the top”* was among the popular descriptives of this magical evening as the three hundred seventy guests dined and danced with family and friends.

Pedro, St. George’s Caye, Belize City, Caves Branch tubing and zip lining, Mountain Pine Ridge, San Ignacio, Xunantunich and of course Cahal Pech, where an unforgettable rehearsal dinner was hosted by the groom’s parents.

The wedding reception was celebrated at none other than the San Ignacio Resort Hotel owned by Kristin’s family, and where,

The happy couple honeymooned for a week in Belize starting at the San Ignacio Resort, then travelling to the Mountain Pine Ridge, sailing the Southern Cayes, exploring Toledo and relaxing in Placencia. They described every day as a true honeymoon experience and fell in love all over again in BELIZE, with BELIZE!!!!

Repairing The Condom

A Belize Defence Force soldier walks into the pharmacy near his base in Ladyville, pulls a beat-up, mutilated condom out of his pocket, and asks the pharmacist how much it would cost to repair the condom.

The pharmacist replied that including replacing the band and spot welding the holes, it would

cost 26 cents, but that for 29 cents, he could sell the private a new one.

The private, *"Aye, that is a weighty decision, I shall be back in two hours with an answer."*

Two hours later, The soldier returns and says: *"The platoon has voted to replace it."*

Cutting The Lawn - Sweeping The Sidewalk

When the lawn mower was broken and wouldn't run. Ms. Mary kept hinting to her husband that he ought to get it fixed, but somehow the message never sank in.

Finally, she thought of a clever way to make her point.

When her husband arrived home one day, he found her seated out in the yard in the tall grass, busily snipping away with a tiny pair of sewing scissors.

He watched silently for a short time and then went into the house. He was gone only a few moments. He returned with a toothbrush and handed it to her.

"When you finish cutting the grass," he said, *"you might as well sweep the sidewalk too."*

The doctors say he will probably live, but it will be quite a while before the casts are removed!

The Newspaper Man Laid To Rest

From Front Page

The eulogy, delivered by his sister, **Floralvalva Rahburn**, follows:

In this moment of sorrow and grief; The Lord is in our midst and consoles us with his word. *"Blessed are the sorrowful, they shall be comforted."*

This evening we are gathered to bid farewell to **Hector Gonzalez**, affectionately known as **Cacharing**. Cacharing was born the 7th of July 1950 to **Mr. Candelorio & Josefina Gonzalez nee Hope**. Hector was born in the village of Succotz quite unexpectedly. Whilst on a visit to her sister Martina Salazar, Mrs. Josephina began having contractions and so Cachacha gave no notice and was born very quickly.

Cacharin grew up in Santa Elena and was well known throughout Cayo. He was a smart fellow who had won a scholarship and reached up to 3rd form in high school when, on his own, he decided to quit.

Everyone can tell you about Cachacha. He was always willing to help by doing errands for any and everyone. He was also the Newspaper man.

You may all remember him making noise at the football games for he was a lover of the sport and a great Verdes fan. You couldn't tell him anything, he was always ready to defend his team but most of all his party.

One friend, **Dr. Wahib** recalls that one day whilst visiting from the US, as he is doing right now, he met Cachacha and he said to him *"You are a doctor, teach me how to be a doctor but a doctor of love cause all I know is to cure women's hearts."*

Cacharing is predeceased by his father, mother and little sister **Noemi**. He is survived by his brothers: **Miguel, Samuel and Julio**. Five sisters: **Betty Coyoc, Noelia, Magdaluz, Floralvalva and Amina**. Two sons: **Kenelee and Francis Gonzalez** and one grandson **Francis Jr.** One dear aunt: **Mary Ann Waight** and one uncle: **Ferdinand Hope**. He was also survived by several nieces, nephews and a host of cousins.

In conclusion I say sleep on Bred's sleep on until that glorious morning when there'll be no more parting. May his soul rest in peace.

San Ignacio police this morning reported the arrest of a Santa Elena resident on forgery and obtaining property by deception charges.

According to San Ignacio police, **Dennis Morey**, valuation officer employed by the San Ignacio/Santa Elena Town Council, reported that at around 2:30 p.m. on Wednesday, April 7, one **Rafael Gongora** residing in the Stann Creek District, visited the Council's office in San Ignacio and presented what clearly appeared to be a forged copy of a trade license certificate.

Morey told the police that, as

the designer and producer of the document, he instantly realized that it was not genuine as it lacked all incorporated security features.

Gongora informed that the document was issued to him along with a receipt by an individual he identified as **Luis Morataya**, for which he made an initial payment of \$100 with a \$150 balance.

San Ignacio police visited the Perez Street, Santa Elena residence of the accused where, on a table inside the house, they found several photocopied Town Council documents including receipts and certificates.

Galen Gives Big For Cross Country Cycling 2010

GALEN UNIVERSITY, Central Farm, Cayo, Tuesday, April 6, 2010:

In a grand demonstration of goodwill, Galen University this year donated BZ \$6,500.00 in prizes for this year's Cross Country Cycling Classic.

Galen University, for the first time in its history, was a Platinum sponsor of the race, awarding seven free courses, each with a value of \$750.00, to the top three finishers in the race. Making the prizes even more appealing was the announcement

that the gift certificates are transferable to anyone of the winners' choosing.

Yet another course was given away as a station prize to the first cyclist to pass by Galen University on the way to San Ignacio. This prize was won by Belizean **Edward Reyes**, who made a name for himself in this race. He also has the choice of giving the course to someone else if he so wishes.

The cyclists were not the only winners on Holy Saturday as Galen University also held a raffle for those students who showed up on campus on Holy

Saturday to cheer on the cyclists as they sped by. One of the prizes was for a free course, which was won by **Mr. Victor Cucul**, and the other was BZ \$500 off tuition, won by **Ms. Meagan Bennett**.

Galen University also participates in other sports one of which is the Ruta Maya in which the university has been participating for the last two consecutive years. There were 7 teams from the university participating in the race this year. Galen is also excitedly hinting at the debut of its basketball team, the Galen Eagles.

A FORTIS COMPANY

NOTICE **on GST and Electricity Bills**

In accordance with amendments to the recent General Sales Tax Act, Belize Electricity Limited (BEL) advises customers that effective April 1, 2010, the Company implemented the 12½ per cent General Sales Tax.

This tax applies ONLY to electricity bills of \$200 or more per month, as required by the amendment.

Meter readings and billing dates are spread out throughout a given month. As a result, a customer's April electricity bill may include some usage from the previous month and may not reflect an accurate proportion of GST charges.

Customers who are required to pay GST will get a bill in April that includes the new GST charged on the entire billing period, including electricity usage in April as well as in March. Since the portion of usage in March should not be subject to the increased GST, BEL will credit customers' accounts in subsequent months after the calculations have been completed and thoroughly tested for accuracy. This credit will be for any excess GST billed on the March portion of the electricity bills.

Customers - We thank you for your cooperation during this time of transition. For more information, please call 0-800-BEL-CARE or 0-800-235-2273.

MAJOR BREAK IN THE SCOTIABANK ROBBERY

From Page 2

proceeded to load cash into the two bags, a black and an orange in color one that they brought along.

While the robbery was in full swing, a customer, later identified as **Linsbert Andrews** of a Salvapan address in Belmopan, arrived at the bank reportedly to make a ten thousand dollar deposit. He reportedly saw the guard on the ground. Notwithstanding, he proceeded to park his brown Ford Ranger right next to the white Suzuki. This was when the armed and masked Alex Edwards reportedly got out of the Suzuki, pointed a gun at Andrews and relieved him of the deposit. By this time a small black Geo Prim car arrived on the scene. A shot was fired at the car resulting in the driver, **Clifford “Guana” Swasey**, receiving a bullet graze in the region of the left ear. As the four robbers were reportedly exiting the bank with the loot, a motorcyclist was passing the area; a shot was fired at him resulting in the rider losing control of the motorcycle. He fell to the ground and emerged with a broken leg.

PC Tun, the lone policeman at the station located right next to the bank was alerted by a Mennonite woman who lives nearby, of the injured security guard on the ground. The policeman reportedly grabbed his service revolver and rushed outside just in time to see the back of the departing Suzuki with San Ignacio/Santa Elena license plates C-00178. He reportedly fired a few shots at the departing Suzuki as it sped off in the direction from whence it came.

The body of the security guard, later identified as **Steven Lopez**, a resident from the village of Unitedville, was transported to the Western Regional Hospital in Belmopan where it was officially pronounced dead by medical personnel on duty. Clifford Swasey and the injured motorcyclist were separately transported to the hospital in Belmopan where they were treated and released.

Police recovered two expended 12 gauge cartridges and 4 expended 9mm shells from the scene after which the

manhunt began for the Suzuki and its occupants. Armed with the information extracted by Belmopan Police from Big Mike, the search was concentrated in the Valley of Peace area.

It was shortly after 3:00 pm that evening when the police search party came upon the abandoned vehicle parked on a feeder road near Valley of Peace. Inside the vehicle police found Big Mike’s laptop computer, digital camera and a black bag containing files with land documents and maps. At the request of the police, the owner of the auto rental service arrived on the scene with a spare key thereby facilitating the moving of the vehicle to the San Ignacio police station.

After abandoning the vehicle near Valley of Peace, all five robbers took to nearby bushes. They reportedly stayed for a while hiding near a wooden bridge in the area of Banana Bank. They reportedly remained in the general area for the remainder of the night and

early the next morning, Benji reportedly called for another vehicle. This time a silver in color one arrived all five men were transported to the western border where they crossed the river into Melchor De Mencos, Guatemala. After crossing the border they boarded a taxi and checked into a hotel near a Texaco gas station in Melchor.

Luis Hernandez, accompanied by **Austin Mungquia** and **Erwin Fernandez** reportedly travelled to Melchor where Hernandez was given a bag to deliver to Benji’s mother in Santa Elena, Cayo. He was told that he would be “*paid good*” to make the delivery. He reportedly agreed to do the job.

After leaving the hotel, Hernandez reportedly opened the bag and saw that it contained a large amount of cash. He reportedly helped himself to some of the money which he left with a friend in Melchor. When he was arrested, Hernandez was found in possession of \$8,000. He was later accompanied to Melchor where, with the assistance of the Guatemalan National Civil Police (*PNC*), Belize police visited the friend where they recovered \$3,749.

It was from the hotel in Melchor that disbursements in the sums of 10, 18 and 20 thousand dollars were made to several persons including to one of the robbers’ girlfriend.

The robbers spent that Wednesday night at the hotel in Melchor and on Thursday, March, 31 they began going their separate ways. Frank Edwards reportedly boarded a taxi and was heading to Santa Elena, Peten, Guatemala when the cab was pulled over by a mobile patrol from the PNC. He was arrested and handed over to Belize police. No mention was made of cash, if any, found in his possession.

Police have reportedly thus far recovered BZ\$30,965.00 which is believed to be proceeds from the bank robbery.

Frank Edwards, Juan Salazar and Michael Rodriguez have all been remanded, by **Magistrate Albert Hoare** to the central prison in Hattieville. They are scheduled to reappear in court on Wednesday, May 26 while Austin Mungquia, Luis Albert Hernandez, Erwin Fernandez, and Isolina Perez all charged for handling stolen goods were offered and met bail in the sum of \$4,000 to reappear in court on Wednesday, May 19, 2010.

Several of the accused are represented by **Attorney Simeon Sampson SC** who appeared in court on their behalf.

Despite at least one report to the contrary, sources close to the investigation inform that there is no indication of the involvement of any policeman in this bank robbery
