LOTTERY VENDOR SURVIVES ANOTHER ATTACK

Continued From Front Page
 Trapiche area of Santa Elena Town.

Tillett has evidently become easy prey for robbers in the area as this latest incident is said to be the eighth one. Prior to this latest incident, he was robbed less than five months ago, when around 9:00 a.m. on Sunday, March 21, 2010 in Esperanza Village he was reportedly approached by a male person who pointed a handgun at his head demanding the black bag he was carrying. In this instance, he was relieved of \$300 in cash and four lottery books.

The incident led to the arrest, on a single conspiracy to commit robbery charge, of **Joseph Gentle**, 23, Belizean, laborer, residing in Esperanza Village. This matter is still pending in San Ignacio’s Magistrate court.

Prior to the Esperanza incident on December 19, 2009 at around

The Government of Belize funded project, executed by the Social Investment Fund, began a few months ago with the complete restoration of that once deteriorating facility which for many years served as the community meat market. Realizing that the era of public meat markets has long disappeared

6:30 p.m., he was reportedly attacked in Georgeville Village by two masked male persons dressed in dark clothing, both carrying firearms. He was relieved of the knapsack he carried containing 5 lottery and 2 jackpot books along with almost \$1500 in cash. Police later recovered the knapsack along with the 7 boleto/lottery books, about \$14 in coins and other personal belongings inside a house on a nearby citrus farm in Georgeville village. No one was inside the house at the time of the search. However, police also reported the discovery of a homemade chrome contraption bandaged with electrical tape which according to the police was designed to discharge 16 gauge cartridges. No arrest was made as the search was focused on a Guatemalan who according to the police is being sought in relation to similar incidents.

in the advent of several such privately owned business places within the community, the San Ignacio Town Council sought and received approval from Central Government for a complete remodeling of the building to house a new library/resource center as the present library situated downstairs of the Town Hall has long outgrown the allotted space. According to the project contractor, **Oscar Martinez**, the

construction is on target with the handing over of the furnished facility set for the end of this month or early September at the latest. Another significant project currently underway is the almost one quarter million dollar upgrading of facilities inside the Norman Broaster Stadium in San Ignacio. More details on this particular project will be provided next week as we endeavor to keep you informed.

Canadian Teachers Are Back In Belize BIG Benefits For Belizean Teachers And Students

BY: Rotarian, John Acott
SAN IGNACIO TOWN, Cayo,
Monday, August 16, 2010:

Now in its 7th year, teachers from the Edmonton area of Canada are back in Belize, instructing our school teachers on advanced learning strategies in Math, Science and Language Arts. From the early days when this programme was only offered in San Ignacio, it has expanded to include primary and high school teachers countrywide. Even school principals and members of the Department of Education staff are attending interesting and stimulating seminars in all districts of Belize. This Rotary project, initiated and directed through the Rotary Club of San Ignacio is the largest Rotary project ever undertaken in our country and involves every Rotary Club in Belize.

This project was developed by Rotarian and Chief Education Officer **Chris Aird** and Rotarian **André Lopez** in conjunction with Rotarians from Edmonton, Canada, who applied for and received a large Grant from the Rotary Foundation which has now been supplemented by a grant from the Candia International Development Agency (**CIDA**). This huge nation-

Back Row - Left to Right: Jan Maslyk; Leah Andrews; Bernie Hryciw; Emilie Kane, Bille-Jo Grant, from the Distributed Learning workshops; Leslie and Barbara Sargunara and Brian Bittorf from the Professional Development workshops

wide project is managed in Belize by a committee of Rotarians, three from San Ignacio; **André Lopez** (Committee Chairman), **Dr. Eve Aird** and **Chris Aird**; and the following Rotarians from Belize City; **Salvador Espat, Paul Hunt, Dr. Marcelo Coyi** and **Saira Mahibar**.

Currently there is a team of 30 Canadian teachers from Canada, led

by Rotarian **Jennifer Lawly** and her assistant Rotarian **Dr. Lynne Paradis** who have given up some of their holidays to come to Belize for two weeks to work with our teachers. Some of the workshops include Leadership training for Principals, and continuing workshops in Math, Science and Language Arts. During a second week of workshops 157 Belizean

teachers (**Learning Coaches**) who have been trained in these disciplines in previous years are now conducting workshops in the three disciplines already mentioned for their Belizean colleagues.

Additionally, this year a special Computer Learning class is being held at Faith Nazarene Primary in San Ignacio for teachers from Mary Hill R.C. school in Corozal; Louisiana Government in Orange Walk; Salvation Army in Belize City; Christ the King in Dangriga; and St. Peter Claver in Punta Gorda. Each of these six schools have been equipped, by Rotary and the **BNE Trust**, with a special computer lab containing 32 computers each, where the children of Standard Two and Standard Five classes will be doing much of their classroom computer work starting in September. Much of this work in developing computer labs for this project would not have been possible without the generous support of **BTL** who has donated t 2.5 megs of band width to each school.

Within the next three years it is hoped that every school that has internet access will be able to utilize computer learning for every Standard in the Primary education system.

Reporting And Commenting On The Prime Ministerial Visit To Los Angeles, California

By: Wellington C. Ramos

Over this weekend just passed, Belize's Prime Minister. **Hon. Dean Barrow** and his wife **Kim Simplis-Barrow** travelled to Los Angeles California to be with the Belizean community for three days.

On Friday morning Prime Minister Barrow and Mrs. Barrow were greeted by the members of the Los Angeles City Council, where the Prime Minister was introduced by Councilwoman **Jan Perry**, the Representative for City Council District-9. The meeting at the City Council was chaired by City Council President **Gil Garcetti**, Speaker of the City Council who is the former District Attorney for the County of Los Angeles. The key to the city of Los Angeles was presented to Prime Minister Barrow in the Los Angeles City Council Chamber. After the event, the Prime Minister and his wife left the chamber and were greeted by several Belizeans in the rotunda for photos and brief conversations.

That same evening, another event was held in the Prime Minister's

honour by Councilwoman Jan Perry and Sheriff Baca in the Courtyard of the City Council building. This event was packed to capacity by many Belizeans. The Prime Minister and his wife were introduced by the **Hon. Roland Yorke** acting in his capacity as Belize's Honorary Counsel to the city and state of California

Other speakers at this event included Belize's Ambassador to the United States His Excellency **Nestor Mendez** who spoke about Prime Minister Barrow's steadfast determination to involve Belizeans living abroad to become engaged in all aspects of Belize's development with the newly created program titled the *"Diaspora Initiative"*.

The Prime Minister was later introduced to the audience with a loud applause. In his address to the gathering, Prime Minister Barrow expressed gratitude for having been invited, along with his wife, by the residents of the city and state of California for the three days of activities. After his brief speech, the Prime Minister and he entourage

were invited into the courtyard where a Belizean dance group performed the Belizean audience wined and dined. The dances were a complete display of the dominant Creole, Garifuna and Maya cultures of Belize.

what is taking place in their homeland. Some Belizeans believe that these politicians are only coming here to make a lot of promises but as soon as they get back to Belize it will be business as usual.

Many Belizeans want to return home but haven't acquired the resources they came to the United States for.

After the reception, the Prime Minister and his wife made themselves available to take pictures and meet with Belizeans in attendance.

I arrived in Los Angeles California one week before the Prime Minister's arrival. I made it my business to visit the Belizean hang-outs spots such as; Witty's Place 48th and Hoover, Cagney Palacio's Place at 46th and Vermont, Little Belize Restaurant in Inglewood Los Angeles, Plum Tree owned by **Mr. Pantan** and Oceanside California. I encouraged many Belizeans to make it their business to come and have a word with the Prime Minister and express their views and concerns about

With the United States economy the way it currently is, many believe that it is more difficult now. Yet, they want to be acknowledged as Belizeans and be granted the same rights and privileges as Belizeans living in Belize. The issues of; land, lots, crime, voting and foreigners taking over the country were their major concern.

On Saturday morning a breakfast was held in the Prime Minister's honour at a Community Park in the Crenshaw District area of Los Angeles. This event was packed again with many Belizeans coming to greet him. The Prime Minister kept emphasizing his theme of how pleased he and his wife were to

Possession Of His LICENSED Gun Whilst Under The Influence Of Alcohol Lands Cuban Man In Jail

SAN IGNACIO TOWN, Cayo District, Monday, August 16, 2010:

A Cuban man was today remanded to the Hattieville Prison after he was found in possession of his licensed 9 millimeter pistol whilst sitting at the bar inside a San Ignacio Nightclub reportedly intoxicated.

Acting upon information received, members of the San Ignacio police Quick Response Team (QRT), at around 11:30 pm on Saturday, August 14, visited the Legends 2000 Night Club located on Bullet Tree Road in San Ignacio Town, where they conducted a search on a male person of Hispanic descent sitting and drinking at the bar. The search led to the discovery of a chrome and black, Smith & Wesson brand, Model # 5906, 9 mm pistol, with a magazine containing 9 live rounds in a holster tucked in the back of his pants waist.

He was transported along with the gun to the San Ignacio police station where he was identified as **Ibey Miguel Cardinas, 43**, Cuban labourer, residing in the Bella Vista Area of San Ignacio Town. At the station he provided genuine documentation of being the owner of the licensed gun.

Ibey Miguel Cardinas, 43

Police suspected that he was under the influence of alcohol but their effort to get medical confirmation was thwarted by the detainee's refusal to provide the blood or urine sample necessary for clinical testing.

The defendant was subsequently arrested and charged for possession of a firearm whilst under the influence of alcohol and for failure to provide specimen.

He appeared in San Ignacio's Magistrate court on Monday, August 16 where he pleaded not guilty to both charges. Since the case involved a gun, no bail could be offered and so he was remanded to Central Prison in Hattieville for a month. He will be brought back to court on Wednesday, September 15, 2010.

Santa Elena RC Primary School Educating Mind, Body And Soul

**SANTA ELENA R.C. SCHOOL,
Santa Elena Town, Cayo District,
Monday August 16, 2010:**

Santa Elena Primary R.C. School, with an enrollment of 1013 children and a staff of 38 teachers, launched a new program this past Saturday August 14, 2010.

Teachers enthusiastically gathered as they embarked on this new adventure. Research based instructional methods, Brain Based Instruction, Multiple Intelligences and Cooperative Learning models are but a few of the unique techniques they will be learning.

This program lends to the 'Quality Schools' initiative on which the Ministry of Education has embarked. It provides much needed ongoing training for teachers to keep up with current international trends in our changing society.

As the school makes progress towards being more 'Child Friendly', it will afford a unique learning experience for all its students. Each child will be greeted at the beginning of the new school year, on September 1st, with a cadre of highly trained teachers who will work together to ensure that every child get the best quality education possible.

The program is being facilitated by **Mrs. Abigail Wade (NaRCIE, IRO for the Cayo District)**, under the management of District Education Center Manager, **Mr. Luis Carballo**. The program is being conducted in collaboration with **Dr. Jennifer Morrow**, a dynamic and creative educator and supporter of the development of education in our country.

Santa Elena Primary School is also networking with a number of stakeholders and partners in education, to adopt the M.O.R.E. Approach under the inspiration and

blessing of **Dr. Joyce Swarzman**, Headmaster of Independent Day School – Corbett Campus in Tampa FL, a National Blue Ribbon Award winning school.

Alongside this program, a self-contained classroom will be opened to meet the needs of children with 'Exceptional

Learning Needs'. As we embrace "Inclusion" in a regular school setting all will benefit, not only students with special needs, but also the general school population.

The progress of both programs can be viewed on our blog spot at <http://santaelenaprimariyrcschool.blogspot.com>

Galen University Students Studying Abroad

GALEN UNIVESITY, Central Farm, Cayo, Wednesday, August 18, 2010:

In keeping with its vision and commitment to excellence in education with a global perspective, Galen University is proud to announce the seven scholars selected to participate in semester-long exchange programs in the US and Canada.

Galen realized its vision when the first student was sent to study abroad in the fall of 2008. **Mrs. Rhondine Petrof**, International Program Coordinator, explained that students are selected through faculty nominations for the various exchange programs.

Students who are nominated must meet a minimum Grade Point Average (**GPA**) of 3.0 or higher. Belizean scholars are highly sought global ambassadors as their attendance at Galen's international partner institutions enriches the host institutions.

The rewards for both partnering institutions are reciprocal. Participating students return to Galen with greater appreciation of their identity and learned competencies in cross-cultural development.

Upon their return the international experience is shared with the Galen

Reporting And Commenting On The Prime Ministerial Visit To Los Angeles, California

Continued From Page 4

come to Los Angeles in order to be with his fellow Belizean brothers and sisters. Again at the conclusion of the event there was a meet and greet and photo opts.

Before the night of the gala event word was going around that all the 350 tickets for the banquet were sold out. The organizers of the event which included; Ambassador H.E. Nestor Mendez; Counsel General Hon. Roland Yoke and the Belizean Committee were all preparing an alternative plan to accommodate more Belizeans.

The gala event was ram jammed packed to capacity with surplus attendees settling for adjacent accommodations.

It was indeed a fun filled event with Belizeans were getting down Belizean style with their Prime Minister and one person started shouting; I want some “**PUNTER**” meaning “**PUNTA**”. Belizeans were laughing because, despite the wrong pronunciation, they knew exactly what kind of music the person was asking for.

On Sunday evening Belizeans lined up to go through security checks to attend the Town Hall Meeting at the Recreation Center in the park.

The Hon. Roland Yorke was the Masters of Ceremony for the Town Hall meeting. After acknowledging the presence of dignitaries in attendance, he thanked the Belizean audience for attending the meeting and all the events that were held over the weekend.

In his presentation, Prime Minister Barrow informed of the state of affairs when his United Democratic Party took over the reigns of government from the People’s United Party in February 2008. He highlights many of the positive accomplishments of his administration. He also spoke about the challenges that still lie ahead. In is trademark upbeat style, the Prime Minister indicated that despite the obstacles, the future looks good for Belize and things are beginning to look better. He informed that his government is expending major efforts in tackling the crime situation and he expects to see favourable results very soon.

During the Town Hall meeting, more Belizeans were coming but the place was too small so another meeting was arranged.

At the end of the Prime Minister’s State of Belize Address, questions from the audience were mostly about acquiring lands in Belize and

Prime Minister Dean Barrow with Los Angeles Mayor Antonio Villaraigosa (R)

the problems regarding Belizean Americans losing their land while are residing in the United States.

Other questions centred around the right of Belizeans living abroad to vote in Belize elections. The Prime Minister said that he is in favour of it but that the legislative framework and mechanism must be put into place.

Prime Barrow informed the gathering that the Dual Citizenship portion of the 7th amendment to the Constitution is currently on hold. He told the audience that there are plans to reintroduce the proposed amendment into the House of Representatives for debate and possible passage into law.

Belizeans who possess Dual Citizenships must become proactive

to assist the Prime Minister in making sure that this amendment is passed into law the next time around. Once this amendment is passed, the Government of Belize will have a constitutional obligation to Belizeans with Dual Citizenships that must be backed up by subsequent legislation and programs.

Highlights of all the events were carried

live via the air waves of Belize’s leading radio station, Love FM, thereby affording Belizeans at home the opportunity to be a part of the even. Love FM’s Chief, **Rene Villanueva** and his cameraman, **Harlem Wagner** were busy conducting interviews with Belizean Americans.

The event provide an excellent opportunity for Belizean in Los Angeles to interact with their Prime Minister and to get first hand information regarding his view on important issues.

The Prime Minister eloquently espoused his position on the major issues. It is now left to us as Belizean Americans to take him up ensure that he delivers on his promises.

Burying Her Goldfish

Little Nancy was in the garden filling in a hole when the neighbor peeped over the fence. Interested in what Nancy was doing, he politely asked, "What are you up to there, Nancy?"

"My goldfish died," replied Nancy tearfully, without looking

up, "and I've just buried him." The neighbor was concerned, "That's an awfully big hole for a goldfish isn't it?"

Nancy patted down the last heap of earth then replied, "That's because he's inside your stupid cat!"

The General's Accident

As part of their orientation a group of Army Recruits were taken to a Home for Senior Citizens to visit a Veteran Army General to hear of his experience in war.

He said "There was this one time while on a mission in the deep jungle, a lion jumped out

and went ROAR. I crapped myself."

One of the recruits said "That's understandable, we would be scared of a lion, too."

The old man said "No, I mean just now, I crapped myself when I went ROAR"!
