# Donovan Casildo And A Minor Charged For The Murder Of Sylvan Roberts Jr.

After 11 days of intensive investigation, the single murder charge was finally laid today against Esperanza Village resident, **Donovan Casildo**, 22, the suspected mastermind behind the 10: 50 pm, December 23, senseless home invasion/ murder of Santa Elena's role model resident, **Sylvan Roberts Jr.**, 39.

The other suspect, a 16 ½ year old boy from Red Creek Village, was similarly charged four days earlier. Due to his age, we are legally prohibited from publishing the name and the photograph of the accused minor.

Both accused persons are now both behind bars on remand at the central prison in Hattiesville until their next appearance in San

Ignacio's magistrate court on Thursday, 29 March 2012.

The information reaching us

indicates that a major break in the investigation came when fingerprints lifted from the crime scene effectively placed the minor on the scene.

Police reports that it was around 10:50 pm on the eve of the eve of Christmas 2011 while Sylvan and his wife **Diana Roberts** with their two young daughters were resting in what was to have been the safety of their homes after an evening of shopping and visiting his relatives, when two invaded the privacy of the home and in the process one

of them fired a single shot fatally injuring Sylvan in the abdomen.

In the commotion inside the house, the wife emerged with a large cut wound to the forehead resulting from the slamming of a

## Giovanni Bring Home The Championship

**SAN IGNACIO TOWN, Wednesday, 4 January 2012:**

The first place trophy for the 22<sup>nd</sup> running to the Krem Annual New Year's Cycling Classic is today resting in San Ignacio Town inside the Belize Bank on Burns Avenue, being the home of this year's champion **Giovanni Choto** from Team Western Spirit.

We caught up this Wednesday morning with **Frank Burns** from Team Western Spirit as he was entering the Belize Bank to officially hand over the first place trophy the team's major sponsor, the Belize Bank. Proudly accepting the trophy on behalf of the bank was Supervisor, **Mrs. Yvette Burns Moguel**.

The almost 92 mile race began at 9:00 am on New Year's Day, from the Northern Border Station in Santa Elena, Corozal culminating, over three hours later, across the BelCan Bridge on Central American Boulevard in Belize City. This year's race featured 80 riders in the various categories.

This year's overall Champion is Giovanni Choto from San Ignacio's Western Spirit as the first rider to cross the finish line clocking a time of three hours, forty three minutes and 10 seconds.

In second place, 31 seconds behind Giovanni Choto, was Byron Pope riding for Benny's Megabytes while Giovanni's younger brother Peter Choto, also from Western Spirit, finished in third position. John Delong, riding for Veloshine Cycling Team and Edward Perez, riding for D&D Cycling came in 4<sup>th</sup> and 5<sup>th</sup> respectively.

**Krem Annual New Year's Cycling Classic Champion Giovanni Choto**

Meanwhile in the 55 mile female category, a major upset was pulled off by Kaya Cattouse, riding for her father's team, C-Ray, winning over Shalini Zabaneh in the sprint for first place while Patricia Chaverria edged out Gabrielle Lovell for 3<sup>rd</sup> place.

In the Masters Category, the Mexican Manuel Herrera Bustos captured first place with his team mate, Carlos Castelan De La Torre coming in second and Robert Steward, from M&M Engineering settling for 3<sup>rd</sup> place.

In the Juniors Category, the Cayo boys dominated the race capturing the first three top places. This year's Junior Champion is Oscar Quiroz for Cayo Uprising while Deezan Spence, riding for D&D Cycling and Zahir Figueroa also from Cayo Uprising placed 2<sup>nd</sup> and 3<sup>rd</sup> respectively.

Frank Burns informed that his club is deeply indebted to its loyal sponsors: The Belize Bank, The Lodge At Chaa Creek and Cayo Rentals without whose support this year's victory would not have been possible.

The Belize Cycling Association informs that the next big event on this year's cycling calendar is the annual Valentine's Day Classic which will be held on Sunday, 12 February 2012.

## Donovan Casildo And A Minor Charged For The Murder Of Sylvan Roberts Jr.

**Continued From Front Page**

The investigation revealed that the intruders demanded gold and US dollars and that the wife informed that there was no gold in the house. She offered and they reportedly took the only \$50 bill she had while one of her daughters offered and they took possession of her piggy bank before escaping into the darkness of the late night hours leaving their father and Diana's husband seriously injured on the floor and shots in the air from a neighbor's gun.

While a police quick response team was the first to arrive on the scene, **Mr. Grant McPherson**, Administrator at La Loma Luz Hospital, accompanied by the hospital's armed security guard arrived shortly thereafter and about 15 minutes after Mr. McPherson's arrival, a colleague, **Dr. Lazo**, arrived on the scene.

Dr. Lazo was allowed immediate access to the injured victim and about 15 minutes later he emerged from inside the house with the body which was rushed to the Loma Luz Hospital for emergency medical attention. Mr. McPherson informed that 100% of the hospital's available staff immediately responded to the call by reporting to the hospital where Sylvan was attended by five doctors and six nurses. Despite their very best effort for over 45 minutes, they painfully watched as their esteemed colleague slipped away.

While Sylvan has been associated with La Loma Luz Hospital for many years, Mr. McPherson informed that he has been engaged as the hospital's Director of Imaging Service since 1 January 2006 a service he selflessly likewise provided

at government hospitals in Belmopan and in Dangriga.

The obvious senseless murder of Sylvan is in itself a tremendous tragedy and loss to the family, the Adventist Church and the community. Investigators say that the murderous home invasion could have probably been much worse if the initial alarm was not raised by the wife's brother, **Dalhart McFadzean**, a student nurse at the University of Belize and part-time carpenter at La Loma Luz Hospital, who upon hearing the commotion inside the house, escaped through a back window and began making telephone contact with friends and associates including the hospital Administrator Mr. Grant McPherson.

The 2:00 pm, Wednesday, 28 December funeral service conducted by **Pastor Nembhard** at the Santa Elena Central Adventist Church for Sylvan Roberts Jr. was easily the largest in the community in many years. He was laid to rest in the nearby Carmen Memorial Cemetery in Santa Elena.

The soul of Sylvan Roberts Jr. is, beyond the shadow of any doubt, now resting in eternal peace. While the church and the community continue ask: "**Why Sylvan, Why**" we all join in prayer for the young family he leaves behind.

We pray that the family may find comfort in the many fond memories they shared as a family in service to the Almighty, their church and the community.

While it is yet a bit early to determine the effect, a senior crimes investigator informed that since Casildo's detention, there has been no incident of home invasion in the community which previously recorded at least one per week.

## Introducing Our New Resident Magistrate

**SAN IGNACIO TOWN,  
Wednesday, 4 January 2012:**

There is a new resident Magistrate in town. She is Jamaican, University of the West Indies trained attorney, **Mrs. Nardia Morgan**.

Magistrate Morgan was appointed as a magistrate in Belize on 5 December 2011. Being new to Belize, she spent the first few days in one of Belize City's magistrate courts on orientation before taking on the substantive position in San Ignacio on 14 December.

She is a May 2011 UWI law school graduate. Immediately after graduating she moved east to the Caribbean Island of Nevis in the Federation of St. Kitts & Nevis, where she spent the first few months of her new career in private practice. She worked for a law firm in Nevis until she received confirmation of her appointment as a magistrate in Belize having applied for the position shortly after completing her legal studies in Jamaica.

Magistrate Morgan is married and with her husband, resides in San Ignacio. While this is her first

**Our New Magistrate, Mrs. Nardia Morgan**

time in Belize, she says that she feels at home because Belize bears many similarities to her home country, Jamaica. She said that she is excited about the

position as she has always been interested in seeking a career as a judge.

Based on initial reports, we understand that, like

Magistrate Linsbert Willis, her predecessor, Magistrate Morgan is firmly committed to the task at hand and is serious in dispensing justice without fear or favor, ill will or affection.

We join the community in welcoming Magistrate Morgan in our midst. We wish her only the very best in the all important role she has undertaken to perform within the community.

It was entertainment night at the Home for Senior Citizens.

Claude the hypnotist stood in front of the residents and exclaimed: **"I'm here to put you into a trance; I intend to hypnotize all of you."**

The excitement was almost electric as Claude took out a beautiful antique pocket watch from his coat. **"I want all of you to keep your eyes on this antique watch. It's a very special watch. It's been in my family for six generations"**

He began to swing the watch

### The Miracle Doctor

A new doctor had arrived in San Ignacio. He could cure anything and anybody.

Everyone was amazed with what he could do - everyone except for Mr. Thompson, the town skeptic.

Grumpy old Mr. Thompson went to visit this **'miracle doctor'** to prove that he wasn't anybody special.

As he entered the examination room he said to the doctor, **"Hey, doc, I've lost my sense of taste. I can't taste nothing. Tell me what miracle are you going to do for me?"**

The doctor scratched his head, mumbled to himself and said, **"What you need is jar number 47."**

The doctor brought the jar out, opened it, and told Mr. Thompson to taste it. He tasted it and immediately spit it out,

*something that matches our husband's hair, so I'm wearing white,"* said Mrs. Smith.

*"Oh my,"* said Mrs. Jones, **"I'd better not go."**

gently from side to side while quietly chanting, **"Watch the watch, watch the watch, watch the watch...."**

The crowd became mesmerized as the watch swayed back and forth, light gleaming off its polished surface.

All eyes followed the swaying watch, until, suddenly, it slipped from the hypnotist's fingers and fell to the floor, breaking into a hundred pieces.

**"SH\*T!"** said the Hypnotist.

It took several days to clean up the Home for Senior Citizens.

**"This is gross!"** he yelled. **"Your sense of taste has been effectively restored Mr. Thompson,"** said the doctor. So Mr. Thompson went home very, very angry.

One month later, Mr. Thompson decides to go back to the doctor and try once again to expose him as a fake by presenting a new and more difficult to heal complaint **"Doc,"** he started, **"I can't remember anything!"**

Thinking he had the doctor stumped now, he waited. The doctor scratched his head, mumbled to himself, and told Mr. Thompson, **"What you need is jar number 47"**

**"Oh No, Not Jar 47 again!"** exclaimed Mr. Thompson remembering the horrible taste of its contents as he rushed out of the room with a fully restored memory.

# Guatemalan Man Busted With Weed

**SANIGNACIO TOWN, Friday, 30 December 2011:**

An 18 year old Guatemalan man, charged with trafficking in 1,732 grams of marijuana, was today sent to prison on remand until Friday, 3, February 2012.

Police reports that at around 4:30 on the evening of Thursday, 29 December, a team of alert policemen on patrol in Santa Elena Town spotted a suspicious male person on George Price Avenue near Trapiche. It is reported that upon seeing the police, the man is said to have taken something out of the black knapsack he was carrying on his back and hid the parcel under nearby bushes.

The man was accosted and when searched nothing incriminating was found on him. He was subsequently taken to the nearby spot where he was allegedly seen disposing of the parcel. A search led to the discovery of the marijuana secured in a black plastic bag which was inside a transparent plastic bag.

The man was instantly detained and transported to the police station in San Ignacio where he

**Eber Adan Gonzalez, 18**

was identified as Guatemalan farmer, **Eber Adan Gonzalez, 18.** He told the police that he was living in the New Area of Benque Viejo Town. The marijuana was weighed in his presence amounting to 1,732 grams. The detainee was subsequently arrested and charged for drug trafficking.

He appeared in court on Friday, 30 December where the charge was read to him by magistrate **Nardia Morgan.** Contrary of his initial statement to the police, upon being questioned he told the court that he was residing in Arenal Village. He pleaded not guilty to the charge. The prosecution objected to the granting of bail because of the flight risk he presented. Magistrate Morgan concurred with the prosecution resulting in the accused being remanded to jail until Friday, 3 February 2012.

# Vasquez The Alleged Unauthorized Truck Driver With Weed

**SANIGNACIO TOWN, Friday, 30 December 2011:**

Police are today still wondering what could have been going through the mind of a Santa Elena man when, during the mid morning hours on Thursday, 29 December, in the presence of several workmen, he walked up to a culvert construction site, jumped in a parked Mack Truck and sped off.

It was around 10:00 am on Thursday 29 December when **Peter Klassen**, 36, Belizean Mennonite called the police and reported that someone had just drove off with the forty five thousand dollar Mack Truck he drives for **Norman Reimer**. Klassen informed that the truck, with Cayo license plates CY-A-3352, was parked at the worksite on Requena Street where he was working on a culvert drainage system behind the football field in Santa Elena.

Police immediately rushed to the area, and with the complainant on board the police vehicle, they set off on the Western Highway heading towards Belmopan. Upon reaching between the villages of Blackman Eddy and Ontario, they spotted the truck heading eastwards. Upon being signaled to stop by the police, the driver stopped the truck, jumped out and was running away when the police caught up with him. He reportedly put up a struggle but was eventually subdued and escorted back to the truck he left parked on the highway. He was searched but nothing in criminating was found on him. A search inside the truck, however, led to the discovery of a black plastic bag which, when opened, was found to contain marijuana. The detainee was identified as **Francis Vasquez**, 44, Belizean, unemployed of a Carillo Puerto Avenue address in Santa Elena.

The truck was checked by the legitimate driver and nothing was found missing, it was subsequently returned to Klassen while Vasquez and the weed were transported to the police station in San Ignacio. The weed, weighed at the police station in the presence of the accused, tipped the scale at 173.5 grams.

**The Unauthorized Truck Driver Francis Vasquez, 44**

As is standard police procedure, a sample of the substance was placed in an envelope and sealed. The envelope was presented to the accused for his signature but he refused to sign the

exhibit. Notwithstanding, he was subsequently arrested and formally charged for the crime of taking a conveyance without lawful authority and for drug trafficking

He appeared in the San Ignacio courtroom of magistrate **Nardia Morgan**, on Friday, 30 December 2011, where he pleaded not guilty to both charges. Magistrate Morgan concurred with the prosecution's objection to bail on the grounds that the accused was already on bail for a recent crime of dishonesty. He was remanded to prison until Friday, 3 February 2012,

It was a mere nine days earlier when, at around 3:30 am, during

the early hours, on Tuesday, 20 December, he was caught with three containers of fuel, amounting to over 22 gallons, allegedly stolen from a passenger bus parked on George Price Avenue in Santa Elena.

In this instance, police reported that Claude Frazer, the bus driver caught the accused stealing the fuel from the bus. He was detained and later formally arrested and charged for theft. He appeared in court on Thursday, 22 December where he pleaded not guilty to the charge. He was offered and met bail in the sum of two thousand dollars and ordered to return to court on 3 February 2012. With this second charge the prior bail was effectively withdrawn and he was sent to prison to be brought back to court on Friday,

## Letters To The Editor

### Dear Editor;

The comment or editorial in the December 25th edition of the STAR concerning the thieves, leaves me with several questions as follows:

a) Why are the police trying to hide the number of crimes in the area?

b) If crack and the crack houses are responsible for 50% of these crimes and the locations are known, where are the police?

c) If crack is responsible for 50%, what is being done about the other 50%?

The mention of the brutal murders these animals commit seems to not be a concern.

While the wheels of justice grind on, the citizens must fortify their homes and hope that the evening curse of invasion passes them by til the next evening. Hardly a way to live!!!

### Dear Editor;

The letter to the editor in the December 25th edition of the STAR concerning the plight of Patricia Dunlap is disturbing.

Neither the police or Scotia Bank seem to care of her monetary loss.

When the police turn a blind eye, it then becomes the citizens right to rectify the wrong. When it comes to the Scotia Bank, customers might seriously want to consider pulling out their deposits in light of probable insecurity of their savings.

# A Soldier Remanded For Gun And Bullets, Wife Freed On Bail

**SAN IGNACIO TOWN, Wednesday, 28 December 2011:**

The discovery of a gun a bullets in their village home has landed a soldier in jail on remand and his wife spared similar treatment because she is nursing an infant child.

Although not legally necessary when searching for arms and ammunition, acting upon the strength of a search warrant, police conducted a search on the Billy White village residence of Belize Defense Force Corporal **Gerald Francis August**, 34 and his wife, **Loida Eunice August**, 24.

The police search party arrived shortly after the midnight hours on Thursday, 22 December 2011 where they found the couple in the house along with 4 children. It did not take long for the party to find a black 9 millimeter, Beretta brand pistol with an empty magazine, inside a wooden box in a room.

A further search in the yard led to an area behind a kitchen where the police came upon a commode and when it was lifted, six 12 gauge, Sellier & Bellot brand, red cartridges were found underneath it. The soldier was subsequently asked about the presence of other such items on the premises. He indicated that there were other such items buried in the yard. He reportedly instructed his wife to show the area to the police. She led the police to a hole in the ground in an area near the

**Gerald Francis August, 34**

kitchen. The hole, about 8 inches below the surface, was found covered with three pieces of board. After the boards were removed, the police found a magazine containing 27 live

**Loida Eunice August, 22**

rounds of 5.56 ammunitions along with three metal clips each containing 10 live rounds of 5.56 live ammunitions all found inside triple black plastic bags. No one in the house could present

license neither for the gun nor the bullets.

The accused were transported to the police station in San Ignacio where they were arrested and jointly charged for the crimes of a) kept firearm without a gun license b)kept ammunition without a license and kept prohibited ammunition.

They appeared in court on Wednesday, 28 December 2011 where they plead not guilty to all three charges. # Phillip Burns Wins Hell Of The West Race

**BY: Geoffery Waight**

The San Ignacio & Santa Elena Council in collaboration with the Weekend Warriors Cycling Club held its 2<sup>nd</sup> annual “**Hell of the West**” Cycle race on Sunday 11 December 2011.

The route of the race was from in front of San Ignacio Resort Hotel enroute to Benque Viejo Del Carmen return to the Belize Natural Energy compound and concluded atop of the famous Cement Hill in San Ignacio.

The race began at 8:30am sharp with 35 cyclists in starting line up.

While there were several attacks on the ride to Benque Viejo the peloton remained intact all the way into Benque Viejo Town.

The same however could not be said for the return from Benque Viejo as brothers Frank and Phillip Burns of Team Cayo Rental along with Andrew “**Pawpa**” Brown of Team Horizon established a break and shared the station prizes all the way into San Ignacio.

The main peloton eventually caught the breakaway in Santa Elena, but not for long as another breakaway was established by Phillip Burns followed closely by Andrew Brown.

Burns and Brown quickly opened a three minute break which eventually ballooned to seven minutes. Both riders shared the station prizes along the way until they got into Esperanza village on the return leg of the race to the finish line, where **Phillip Burns** attacked **Andrew**

**Councilor Earl Trapp (L) the Champ Phillip Burns (center) Mayor John August (R)**

**Brown** and rode solo across finishline to be crowned the 2011 Hell of the West Champion.

**Andrew Brown** placed second while seven minutes later the Andrew Ordonez from Team Horizon outsprinted **Geoffrey Waight** of Cayo Rentals for 3<sup>rd</sup> and 4<sup>th</sup> respectively with **Vallan**

**Symms** rounded off the top five.

In the “C” category **Elston Bennett** of Cayo Rentals outlasted **Ryan Willoughby** to be crowned champ in this category.

The weekend Warriors Cycling Club would like to

thank **Mayor John August**, Councilor **Earl Trapp Jr.** the Town Council, Police Department and the Traffic Department for making this event a success and partnering in promoting a healthy living for all Belizean.

## Sadden By Mrs. Wade's Departure

**BY: Deborah Reneau**  
**Vice Principal, Santa Elena**  
**Primary School**  
**Thursday, January 5, 2012.**

I have had the wonderful pleasure of working with a committed and gifted lady in the person of **Mrs. Abigail Wade**.

Mrs. Wade devoted herself to the Teacher Leadership Program at Santa Elena Primary School and has worked tirelessly and pro-bono, in building our school's teaching efficacy and honing our leadership skills.

The school has seen much improvement in areas of classroom management, attendance, and student involvement in their learning, since the inception of the Teacher Leadership Program.

In my opinion, Mrs. Wade is an exemplary educator who models the qualities of a true leader. Her persistence, open-mindedness and continuous desire to endeavor have impressed upon

**Mrs. Abigail Wade**

me the importance of improving myself, the children and ultimately my community. The knowledge that I have gained by partnering with her over the past year and a half is priceless.

I was saddened when I heard that she was resigning from her post as the Itinerant Resource Officer working out of the District Education Center in Santa Elena, Cayo.

I am saddened because in these troublesome times, we need dedicated individuals like Mrs. Wade who are prepared to champion the cause of our children, particularly those children with special needs.

I will be forever grateful for her positive input at our school and community. I know that many others can attest to her dedication and resolute commitment in ensuring that our children receive quality education. Mrs. Abby, thank you and let it be known that God sees your heart and favour.
