SAN IGNACIO TOWN, Cayo, Monday June 7, 2010:

A thanksgiving service in celebration of the life of Mrs. Aida Melendez Miller was held today at the Sacred Heart Church in San Ignacio Town, Cayo.

For us she was Aunty Aida, to her many friends and neighbors she was Ms. Ids. She was appreciated and respected in the community.

Mrs. Aida Melendez Miller, 77
SUNRISE: March 7, 1933
SUNSET: June 5, 2010

Despite the warning, the car continued full speed ahead refusing to pull over. The car’s single tail light in the night assisted the police in maintaining proper identification in the chase. It was followed all the way into Unitedville where the police mobile was able to pull alongside it thereby forcing the car to pull off the road. The two male occupants were ordered out of the car.

When the car, with Belize City license plates C-31725, was searched police found a sack containing marijuana inside the trunk.

The men, the car and the weed were transported to the San Ignacio Town Police Station where the men were positively identified as Eric Young, 28, Belizean laborer of #21 Central American Boulevard, Belize.

The men were charged with possession of marijuana for the purpose of drug trafficking.

GANG, GUNS AND DRUGS AT THE HEART OF CRIME IN BELIZE

By: Wellington C. Ramos

The report issued recently by Assistant Commissioner of Police Elodio Aragon Jr. and Lt. Col. David Jones from the Belize Defense Force on the successes of Operation Jaguar revealed that gangs, guns and drugs are three of the main culprits responsible for the escalation of crimes in Belize.

The report outlined the amount of firearms and ammunitions confiscated, the various types of drugs found and the number of arrest made for those found with drugs and weapons.

I am very disappointed that the report makes no mention of the arrest of individuals for forming and operating illegal gangs that are engaged in these criminal activities.

Until Belize comes up with a plan to deal with gang organizations, crimes will continue to increase because they will be committed by organized criminals.

Individual criminals are much easier to contain than are organized criminals because they normally operate by themselves and are afraid to get anybody else in their business for fear of being snitched upon by their accomplices and sharing the proceeds of their loot with them. This reduces the amount of people who are engaged in a criminal activity.

On the other hand, organized criminals have an organization that provide them with all the necessary materials and supplies needed to commit crimes. Most of the crimes they commit are well planned and organized by the members of their groups and each member has a vital role to play in the execution of the crimes. This leads to the increase in crimes and the amount of people who are engaged in the activity on a daily basis causing it to be out of control.

Most of their activities are done in secrecy based on a pledge and oath. The breaching of oaths normally have severe punishments which could include death. Many people who are in these organizations would rather die for what they believe in than to rat on their fellow gang members or organizations due to fear of personal retaliation or severe consequences against members of their families.

Most of the murders committed in Belize City are the works of gang members and this fact is known by the government of Belize and the Belize Police Department.

Gang rivalry is on-going and perpetual and the hatred between gang members breathe violence that is never ending.

When there is a culture of gang rivalry a person is going to be killed almost everyday and sometimes for no justifiable reason.

In many cities in the United States members of gangs are killed over simple things colors and disrespecting or bad mouthing members gangs, symbols and what they stand for. Gangs in Belize came about in the early 1980’s and most people paid little or no attention back then.

Still in the Aragon Jones report there was no mention of gangs. Is it that the government of Belize is afraid of the gangs or they just do not want to get them upset?

An organization that is engaged in conducting illegal activities should always be a government’s top priority because they pose a grave threat to the safety of law abiding citizens and they can destabilize a government as was witnessed recently in Jamaica.

Our government cannot put these issues on bold any longer and this is the appropriate time to bring about legislations to deal with gangs in Belize to stop this internal madness taking place in Belize.

Recently, Attorney Rodwell Williams, the law partner of our Prime Minister was gunned down in a well planned assassination attempt. This lawyer is a friend and business partner to the most powerful person in our country. The investigation into this crime must be thorough because we are not sure as to what type of message they could be sending to the people and government of Belize. We also do not know who were the peoplebehind planning this failed assassination.

I just hope and pray that the motive of this crime was not political because it will have wider implications and consequences. To make this bold move demonstrates their lack of respect for the people, laws and government of Belize.

The new Minister of Police and Public Safety is about to take office and we wish him well in taking on this huge task.

FINED AND CONFINED FOR DRUG TRAFFICKING

An organization that is engaged in conducting illegal activities should always be a government’s top priority because they pose a grave threat to the safety of law abiding citizens and they can destabilize a government as was witnessed recently in Jamaica. The new Minister of Police and Public Safety is about to take office and we wish him well in taking on this huge task.

Another surprising turn of events is that while Young pled guilty, it was expected that the charge would have been withdrawn against the Eamon White, NOT SO! The prosecution informed the court that it will proceed with the drug trafficking charge against White. He was consequently offered bail in the sum of two thousand dollars and ordered to return to court on Tuesday, July 27, 2010.

In a further surprising turn of events, with Young’s guilty plea, no determination was made regarding the confiscation or otherwise of the car which remains parked on the compound at the San Ignacio Police Station.

SAN IGNACIO TOWN, Cayo
Monday, June 7, 2010:

New bathroom facilities were gifted to students and staff of Santa Familiar RC Primary School. Members of the Rotary Club of San Ignacio were special guests for the opening of the new toilet block on Thursday 3rd June along with the School’s new principal Mr. Alejandro Najarro (new principal); Vice Principal Rudulfo Tun (vice principal) and District Education Officer Luis Carballo.

The new facility with different sections for boys, girls as well as for male and female teachers, was built at a cost of $38,000. The funds were raised by the San Ignacio Rotary Club and Rotary Clubs in British Columbia, Canada such as South Cowichan, Cambell River, Victoria Harbourside, Ladysmith, Nanaimo Oceanside, Nanaimo Daybreak and Nanaimo North.

During the ceremony Vice Principal Tun said that he could not thank Rotary enough for turning a dream into reality. He gave special thanks to Rotarians Aki & Sheree Fukai and Antonio Flowers as well as to all the parents who assisted with the project.

The new facility was blessed by Fr. Lorenzo Echeverria from the San Ignacio Roman Catholic Church. The ceremony also included a presentation by Bishop Martin School Band and a delightful presentation by Infants 1 & 2 students attending Santa Familiar RC School.

San Ignacio Rotary Club’s president, Dan Habet gave a short speech explaining where the money came from and encouraged the students to take care of the new facility. This event marks one of Dan Habet’s last official events before handing the presidency over, on June 29, to the new Rotary president, Bill Butcher from the Aguada Hotel.

Principal, Mr. Najarro ended the ceremony by thanking everybody involved with the project and assured the Rotarians that the school would indeed maintain the building in a clean and hygienic condition. He also thanked Rotarian Pia Durham for all the help she had given.

Benque Viejo Police Recognizes Keshawn Tucker

BY: PC#140 Joshua McKoy

BENQUE VIEJO TOWN, Wednesday, June 9, 2010:

Benque Viejo Police today recognized another student in its ongoing “Do The Right Thing Program”.

In an effort to reinforce socially desirable behavior among young people and to showcase positive student achievements, the Belize Police Department Benque Viejo Sub-Formation takes this opportunity to recognize Keshawn Tucker.

Keshawn is a 16 year old 2nd form Student attending Western Nazarene High School in the Village of San Jose Succotz in the Cayo District.

The program began at 9:00 am on Wednesday June 9, 2010 inside the school chapel with teachers and students in attendance along the School’s Principal Mr. Dwight Tillett and the Office 2nd in Command of the Benque Viejo Police Sub-Formation, Sergeant #598 Jesus Palma who did the official handing over of a Certificate of Achievement along with a congratulatory letter signed by Commissioner of Police Crispin Jefferies and a “Do The Right Thing” T-Shirt.

The proud recipient, Keshawn Tucker is the program’s winner for the month of May 2010. She was selected from the list of nominees for her record of accomplishments, good behavior and community spirit.

With this award, Keshawn now qualifies to enter the group of winners countrywide which will be announced later this year. Among other prizes, the National Winner will receive a scholarship and a fully loaded computer.

The Officer Commanding Benque Viejo Police, Inspector Dindsdale Thompson and the Staff of the Benque Viejo Police Sub-Formation, including the Community Policing Unit, extends heartfelt congratulations to Keshawn Tucker on her achievement while encouraging other students to follow her example.

Amid Criticism, Engineers Defend World Cup Football

The engineers who designed the official football for the 2010 World Cup have hit back at criticism of their ball by some players.

Fabio Capello said his players gave the new ball bad reviews, with some players saying it moves too quickly. And goalkeepers have claimed the new Jabulani ball is difficult to handle.

But engineers at Loughbrough University claim that their tests show it is the most “consistent” football ever manufactured.

The football that former England international Geoff Hurst belted into the goal in the 1966 World Cup final was made from 18 pieces of leather, stitched together and fastened with laces.

“We want a ball that is very consistent that allows the very best players to shine” says Dr. Andy Harland from Loughborough University.

The new World Cup football is made from just eight pieces of shaped synthetic material glued tightly together.

The result - for the first time in football history, say the manufacturers - is an undistorted, perfectly spherical ball.

The engineers who helped design the ball, called the Jabulani, say it should be the most consistent football ever made.

Dr Andy Harland uses a robot to kick the ball. His set up is able to reproduce corners, free kicks, passes and shots on goal - even more reliably than David Beckham.

“Fundamentally, what we are trying to achieve is a ball that is very consistent that allows the very best players in the world to express their skills,” he says.

“So we’re not looking for a ball that behaves unpredictably which would benefit a player that’s not skilful. We want a ball that is very consistent that allows the best players to shine.”

His robot tests, which were supported by the ball’s manufacturer Adidas, showed that the Jabulani was better than previous World Cup balls.

Mary is having a bad day at the tables in the casino. Down to her last $100, completely exasperated, she cries, “What rotten luck! What in the world should I do now?”

A fine young man next to her, trying to calm her down a bit, calmly suggests, “I don’t know... Why don’t you play your age?”

Mary looks over and sees the fine young man looking at her as she places all her money on the roulette table.

Moments later, his is intrigued to hear a great commotion at the roulette table. Maybe, she won!

Rushing back to the table and pushing his way through the crowd, he is stunned to see the lady lying limp on the floor, with the table operator kneeling over her.

He asks, “What happened? Is she all right?”

The operator replies, “I don’t know, buddy.... She put all her money on 26. When 37 came up she fainted!”

Jerry and Joe goes hunting. Jerry has never gone hunting while Joe has hunted all his life.

When they get to the deep jungles of the Mountain Pine Ridge Joe tells Jerry to sit by a tree and not make a sound while Joe checks out a deer stand.

After he gets about a quarter of a mile away, Joe hears a blood-curdling scream. He rushes back to Jerry and yells, "I thought I told you to be quiet!"

Jerry says, “Hey, I tried. I really did. When those snakes crawled over me, I didn’t make a sound. When that jaguar was breathing down my neck, I didn’t make a peep. But when those two chipmunks crawled up my pants leg and said, ‘Should we take them with us or eat them here?’ I couldn’t keep quiet any more!”

Dear Editor,

Kindly allow me space in your prestigious newspaper to express our deepest gratitude to members of the community.

On the June 4, 2010 BFLA, San Ignacio Branch held its first ever open day, where we had over two hundred students and visitors coming in to get information on sexual and reproductive health services offered at the center.

The event also provided fun and interactive activities to students of San Ignacio along with up to date knowledge and insight into relevant health issues within the community.

Ultimately this effort aims to inspire young persons to take a positive outlook on health related topics.

The event could not have been possible without the valuable help of the following persons: San Ignacio/Santa Elena Town Council: Mayor John August, Councillor Bernadette Fernandez, Administrator Vallan Hyde, Traffic Manager Karen Fernandez and council employees Jaime Garcia and Donna Dawson.

Special mention is in order for Mrs. Arita Bedran and her daughter Nashla who willingly volunteered their time to help on that day.

The successful event was organized by four volunteers from Queens Health Outreach. May God bless you all!

Stand Up, Speak Up

Stand Up, Speak Up - Guide to Public Participation in Belize

The Belize Institute of Environmental Law and Policy (BELPO) launched Stand Up, Speak Up: Guide to Public Participation in Belize this week.

Have you ever thought about calling a radio station, writing a letter to the editor, or simply raising your hand to object to something being said?

Have you ever wanted to make a difference, to help change things, but didn’t really know what to do or how to do it?

If so, Stand Up, Speak Up is for you! It is a “how to” book that will help you and others change things for the better for you and your children.

Stand Up, Speak Up will give you concrete, simple ideas on how to get involved.

Here are a few examples:
1) To fix a problem and get attention to your cause
2) To get important information from government
3) To submit complaints to the Ombudsman
4) To address problems you believe to be destroying the environment

The Guide explains, step by step, the process of how to get involved on different levels, giving examples for the average reader.

Free copies of the Guide are available through the BELPO office at 8 Mayflower Street, Belmopan or call 802-0220 or email belpo.belize@gmail.com

Top High School Students Visit Galen

BY: Debbie Scott
Marketing & Public Relations Dept.
GALEN UNIVERSITY, Central Farm, Cayo Tuesday, June 8, 2010:

Thirteen of Belize’s top high school 2010 graduates from Corozal to Punta Gorda visited Galen University On Saturday, June 5. The valedictorians and salutatorians came with their parents and/or guardians by invitation to learn more about Galen University, its programs, and the ten new scholarships that are being offered by the university for the next school year. Belizean faculty members, Dr. Lydia Loskot and Dr. Colin Young spoke to the visiting students about their individual education journeys, and the scholarships that helped them to succeed in achieving their life goals. The students were visibly enthralled by the stories, as they saw the possibility of an even better future than they had imagined for themselves when they accepted the invitation to come visit Galen.

Dr. Nancy Adamson, Galen University’s President Designate, gave a concise description of Galen life. She had the privilege of introducing the scholarships to the students, and explained the application process.

Dr. Zabaneh, the university’s Chairman, spoke about the vision, passion and excitement of Galen.

Mr. Maurice Field, Lecturer, made a brief stop to talk to the students in between his two summer classes. He spoke about the Management and Administration program, and of the high marketability of Galen University graduates.

Galen University congratulates all 2010 high school and junior college graduates. The university always welcomes visitors and inquiries. More information on programs and scholarships may be obtained by calling 824-3226, or by visiting the Galen’s website at www.galen.edu.bz.

Aunty Aida Miller Laid To Rest

enjoyed the company of her family, friends and neighbors.

Aunty Aida is best known for the delicious food she cooked which she was always willing to share. When anyone visited, the first thing she would do, after making sure that visitor was comfortably seated, was to offer a plate of food, and who could refuse her food? In fact several of us always looked forward to sitting at her table. If it was that last spoon of rice or that last piece of meat, she would give it up without hesitation.

After several months of illness, Aunty Aida passed away quietly during the early morning hours on Saturday, June 5, at her home in Santa Elena, Cayo.

Aunty Aida is predeceased by her husband Herbert “Jimmy” Miller, daughter, Ruby Miller and two sons, Albert and Patrick Miller.

She is survived by six daughters: Elvira Galvez (Houston), Nora Torres (San Ignacio), Amelia Innis (New York), Amira Matthews (New York), Dolores Miller (Santa Elena) and Patricia Miller (Houston) and one son, Herbert Miller Jr. (New Jersey). She is also survived by three sisters, Olga Galvez (New York), Alma Wilkerson (New York) and Dorothy Cowo (Santa Elena) and two brothers, Luis August (Belize City) and Rupert Smith (Belmopan).

In keeping with her wishes, Aunty Aida was laid to rest inside the Santa Rita Cemetery in San Ignacio Town near her daughter Ruby who passed away thirty six years ago in 1974. May her soul rest in eternal peace.
